Chew's

to take a

bite out of the

Girl Scout Cookie Program... and

fund your camp fun!

It's never too late to join Girl Scouts. Did you know you can take part in everything Girl Scouts offers, including the amazing Cookie Program, without being in a Troop? It's true!

Lots of girls take part in Girl Scouts and the Cookie Program individually to fund their own incredible camp experiences. Girls who take part in the Girl Scout Cookie Program individually get their Cookie Program profits back in the form of Cookie Dough that can be used to pay for Girl Scout camps, programs, events, and swag! **Want to join a troop? Don't worry - you can do that, too.**

So, get involved and start funding your adventures today! Sign-up at gsnwgl.org/join
