**JOIN RIVER SURGE FC'S 4U, 5U, 6U LITTLE RIPPLES PROGRAM
FOR FAMILY FUN AND SOCCER FUNDAMENTALS**

4U (BIRTH YEAR: 2020)

Dive into soccer fun with River Surge FC's 4U Little Ripples Program! Parents/guardians will join the excitement as kids get introduced to soccer, fostering a lifelong love for the beautiful game together. The program is **one night a week** where a trainer will be in charge of players and parents for the soccer-specific activities. This is a great introduction to learning soccer and playing sports!

(Please note: The Village of Kimberly will continue to have a 4U Program, which River Surge FC will continue to support.)

5U (BIRTH YEAR: 2019) AND 6U (BIRTH YEAR: 2018)

Continue your soccer journey with River Surge FC's 5U and 6U Little Ripples Program! Parents/guardians will ride the waves of fun and skill development alongside their little ones. Trainers will be more active in individual instruction with the players and will rely on parent/guardian participation to create the ultimate fun soccer experience. The program is **one night a week** and will always end in a scrimmage. Let's play!
