COURSE REQUEST CHANGES OR WITHDRAWAL PROCEDURE

Students may withdraw from a course only under special circumstances. Withdrawals may be permitted only with approval of the teacher, school counselor, administration, and parents. Students and/or teachers may have various compelling reasons for requesting student withdrawal from courses. Reasons that may be given consideration are:

- Inappropriate skill level placement.
- Significant changes in academic need requiring a course substitution or addition.
- Has not met prerequisite.

The student's transcript will reflect the course as a drop with the following grade designation:

- Day 1 through 3- Any course change may be considered (per the above guidelines) through the third day of the new trimester. Students must have parent and teacher approval and submit appropriate paperwork to Student Services. Changes will be made without penalty and students may add a class based on the above criteria.
- Day 4 through 12 – Drops **with no penalty** (WNP) may be granted when the student submits the necessary paperwork. No additional classes may be added. Students may be added to a study hall. This option is only available if no study hall is already scheduled. Day 13 through end of the trimester– Drops **with penalty** (WF) may be granted when the student submits the necessary paperwork. No additional classes may be added. Students may be added to a study hall if no study hall is already scheduled.

STUDENTS MAY ONLY BE CHANGED FROM ONE SECTION OF A CLASS TO ANOTHER IF THE SECTION THEY ARE ENTERING HAS A LESSER ENROLLMENT THAN THE SECTION THEY ARE LEAVING

*Changes due to IEP requirements/changes, or new students coming to our school may be made at any time with administrative approval.
