

Kaukauna Area School District Chromebook Loan Agreement

Your child is being assigned a Chromebook computer for his/her use during the school year. Each student is responsible for the care and proper use of the device assigned to him/her. The same device will be assigned to the student for multiple years.

This equipment is, and at all times remains, the property of Kaukauna Area School District and is lent to the student for educational purposes only for the academic school year.

The Chromebook may not be defaced or destroyed in any way. The device must be used in accordance with the District's Acceptable Use Policy as well as, local, state, and federal statutes. Inappropriate use of the machine may result in the student losing his/her right to use this Chromebook.

The equipment must be returned to the school if the student withdraws from Kaukauna Area School District or when requested by Kaukauna Area School District.

Identification and inventory tags have been placed on the Chromebook. These tags **are not** to be removed or modified. If they become damaged or missing, contact tech support for replacements. Additional stickers, labels, tags, or markings **are not** to be added to the Chromebook.

The District will obtain reimbursement from, or on behalf of, student(s) for any damage to, loss of, or failure to return school property.

I understand that I am responsible for 100% of any damage or loss to the loaned computer equipment. The replacement cost for the Chromebook is \$350.00, Cord is \$80.00 and Case is \$25.00.
