

River View Middle School

Dear River View Family and Friends,

Volunteers make a difference! Our students flourish when volunteers help with the many projects, entertainment and everyday assistance our students need. The Parent Advisory Committee (PAC) is calling on your generosity and expertise to support these endeavors.

How can you help our students? Please check all the spaces you may like to assist and return this form to school **by Friday, September 24th**.

We extend the challenge that at least one member from every family in our school volunteers in some way during the 2021/2022 academic year. Aunts, uncles, grandparents, parents, brothers, sisters, cousins, and friends are always welcome. Remember it takes an exceptional person to give their time and energies to help make our school stronger. Your assistance will assure that all of our students have the most memorable school experience possible.

As always, you're invited to our parent meetings (also called PAC) which run once a month (typically the third Tuesday of the month at 6:00 p.m.). Watch the calendar in the monthly Family Newsletter for specific dates. Please join us!

Sincerely,

PAC Parents

Lucas Cromell, Principal

Josh Iverson, Associate Principal

Ted Selker, Associate Principal

NAME _____

PHONE _____

_____ Help with Instructional School Day:

Mon Tues Wed Thurs Fri and/or AM Lunch 11-1 PM

_____ Help with After School Activities

_____ Help with Field Trips

_____ Give me a call - I'll help where I can

**Please note: A background check is required for all volunteering that involves direct work/supervision of/with children. Contact the office for a form.*
