7:45 a.m. First bell; 7:50 a.m. Classes start; 3:10 p.m. Dismissal

Our School

Our school, a traditional neighborhood school, is named for Electa Quinney, a Native American who was Wisconsin's first professional teacher. Our outside areas feature a zero clearance fully accessible playground in addition to a disc golf course.

Before and After School Programs

- YMCA Before and After School Child Care
- Breakfast Available

Curriculum/Instructional Design

Quinney's curriculum is aligned to the Common Core State Standards. Literacy and math instructional times are longer to include both core instruction and intervention support.

- **Literacy** – Workshop structure for literacy, with students reading both fiction and informational texts at their reading level. Teachers are trained in the Partnerships in Comprehensive Literacy Model.
- **Math** – Common Core aligned math approach, featuring a balance between both content and process, utilizing Math Expressions as an instructional resource.
- **Behavior System** – Positive Behavior Interventions and Supports (PBIS) organizes our school expectations into the ABC's: Act Respectful, Be Responsible and Come Ready to Learn. Character education is infused into daily instruction.
- **Technology** – Interactive whiteboards in each classroom, a computer lab, iPad and laptop carts for student use; document cameras in classrooms.
