KHS Recognizes Academic Achievement

On Sunday, May 5, 2019, Kaukauna High School held its annual Academic Awards night, honoring high-achieving students for their accomplishments during the 2018-19 school year.

Students earning a 3.75 or higher semester grade point average (High Honors) are eligible to earn an academic award. The award system is based on the following scale, with each semester or trimester of High Honor Roll counting as one term:

<u>Number of terms of High Honors</u>	<u>Academic Award</u>
4	Certificate
7	Academic Letter
9	Graduation Stole

Award points are cumulative over the four-year academic career through the seventh trimester.

Seniors are also eligible for the following awards:

Valedictorians and Salutatorians

Those students that have attained the highest cumulative grade point average through four semesters and five trimesters will be awarded a Valedictorian Medal to be worn at the graduation ceremony.

Those students that have attained the second highest cumulative grade point average through four semesters and five trimesters will be awarded a Salutatorian Medal to be worn at the graduation ceremony.

President's Education Award

Seniors are also eligible for the President's Education Award in one of two categories. Those students that have earned seven or eight academic points with combination of semesters and trimesters of High Honors will receive President's Award of Achievement and pin. Those who have attained four semesters and five trimesters will receive President's Award of Excellence and pin.

The following students were recognized on Sunday night at the award ceremony in the high school auditorium:

About Kaukauna Area Schools

Kaukauna Area School District (KASD) serves 4,100 students in seven schools, providing quality education in early childhood through grade 12. Highly qualified teachers guide daily learning, assisted by technology that includes an interactive white board in each classroom, access to WIFI in all district buildings and multiple computer labs. KASD has adopted a Response to Intervention (RtI) model, supporting success for all children. Learning opportunities at the high school include a strong core curriculum that includes AP courses as well as a variety of elective programs with numerous courses articulated with Fox Valley Technical College for transcribed credit or advanced standing.
