## **CHILD PROFILE**

We are excited to introduce our new **Child Profile** within your online YMCA account. This will save you time during the registration process as well as give you the opportunity to update your child's information any time a change has occurred. This will also eliminate the need for the Pre-registration Questionnaire used previously.

### **Accessing the Child Profile**

1. Log in to your online YMCA account [here](#).
2. Navigate to the membership box on the left-hand side of your screen.
3. Click the edit pencil next to your child's name.
